

NATIONAL
Republican Ticket.FOR PRESIDENT,
BENJAMIN HARRISONFOR VICE-PRESIDENT
LEVI P. MORTON,
OF NEW YORK

The State election in Maine on Monday resulted in a glorious victory for the Republicans. The plurality was over 20,000, the largest majority since 1868. Every Congressman was elected. In Maine, every State Senator was elected, and four-fifths of the Assemblymen.

The Virginia Chronicle, which pretends to publish telegraphic news, did not have a line in last evening's issue about the election in Maine. That 20,000 Republican majority was too much for the leading Democratic paper.

The Pacific Coast delegates to the G. A. R. have indorsed T. H. Goodman for Commander-in-Chief.

Oregon, Vermont, Maine, Cleveland ought to see the Republican handwriting on the wall.

THEY DID NOT RISE TO GRUVERS FLY.

They're Beauties, but They Don't Belong to Cleveland's Catch.

The largest Republican club in Pope county, Ill., is led by a converted Democrat.

J. R. Bronson is one of the many San Francisco Democrats who have enrolled their names in Republican clubs.

Half a dozen old Democrats at Bluffton, Ind., have openly avowed their purpose to support Harrison.

John Ernst, an old Democrat, joined the Sixth Ward Harrison and Morton Club, at Buffalo last week.

The Republican club at Fountain, Colo., contains five members who voted for Cleveland in 1884 and one who voted for Butler.

The James A. Beaver Club, of Dauphin, Pa., has 147 members, of whom fifteen are reported as former Democrats who will vote for Harrison.

Robert Maabeh and Cephas Goodenough, both old-time Democrats and extensive wool-growers, of Upper Sandusky, O., are earnest supporters of Harrison.

Joseph Waggoner, of Olean, N. Y., a life-long Democrat, celebrated his political regeneration by having an enthusiastic Republican pole-raising on his farm the other evening.

John Chapin, a sturdy young homesteader, of Hyde, Colo., says: "I voted for Cleveland in 1884, but this year I shall vote for Harrison and Morton." John is an ex-Hoosier.

The Hon. J. K. Brant, for years the leading Democrat, of Greenfield Township, Ohio, will vote for Harrison. Mr. Brant is an extensive wool-grower, and has recently removed to Kansas.

One of the most notable conversions in Virginia of late is that of J. B. Bodlock, of Petersburg, formerly a member of the Democratic committee. He has declared openly for Harrison and Morton.

Harrison Lewis, a prominent life-long Democrat, of Ellipticville, Great Valley, N. Y., has announced his intention of voting for Harrison and Morton this Fall. He has always been a strong partisan.

William S. Elgin, a life-long Democrat, of Sandy Hook, Md., has announced his decision to vote for Harrison and Morton. He has let fly a fine Harrison and Morton banner from the top of his store building.

Guy Morgan, of Wethersfield, N. Y., who has been a Democratic office-holder and always voted the Democratic ticket, was chosen Vice President of the Republican county convention at Warsaw last week.

Col. Joseph F. Dry, who voted for Cleveland in 1884, made a rousing speech for Harrison last week at Tiffin, Ohio. His name accords well with the purposes of either the Democratic or the Prohibition party, but the Colonel's principles have risen above his name.

Fred Rogge, of Columbus, Ky., late of Company E, Thirty-eighth Ohio, has always voted for Democratic candidates, but now he publishes an appeal to his comrades to vote for Harrison against a man who sees in an old soldier nothing worthy of respect or honor.

James McGinty, of Andover, N. Y., a life-long Democrat has declared for Harrison and Morton. Mr. McGinty is a wholesale dealer in live stock, grain, and produce, and has a wide influence among farmers. He has convinced no less than twenty Democrats in his town that his course is wise, and every one of them will vote for Harrison and Morton.

Edward O'Malley, proprietor of the Excelsior Marble and Granite Works at Cuba, N. Y., is another old-time Democrat who will support the Republican ticket this Fall and hereafter. Until four years ago Mr. O'Malley was a strong Democrat. He identified himself with the Prohibition party during the last Presidential campaign, and has voted the Prohibition ticket ever since. He has been elected Secretary of the Harrison and Morton Club, of Cuba.

WEDDING BALL.—The Episcopal Church was a scene of beauty last evening the occasion being the marriage ceremony of Edward Coffin and Ida M. Pullman, two of Reno's especial favorites. At 8:30 the wedding march was played, and the young couple proceeded to the altar to listen to the solemn yet sweet words of Rev. Wm. Lucas. The flower decorations were exquisite, and a feature was the beautiful wedding bell suspended over the altar. At the conclusion of the ceremony the happy couple received the congratulations from relatives and friends, and then repaired to the residence of the groom's parents to partake of the wedding supper. Later in the evening they were surrounded by Hastings' Cornet Band.

NEIL WARNER COMPANY.—JOS. M. Mount, the well-known theatrical agent, is in town making arrangements for the eminent scholar and tragedian who will appear here all next week in a round of his favorite characters. The property to be distributed is valued at about \$150,000.

"The Merry Maiden and the Tar."

She was merriest before she "struck" the tar. Her spirits sank as she beheld her low white gown blackened by the tar. This tar helped a wagon run instead of helping run a ship. Just so a thousand trivial accidents and neglected "small things" take the merriment out of the lives of young girls and maidens. Particularly is this the case with diseases peculiar to their sex which take so much enjoyment and happiness from life. However a remedy is found in Dr. Pierce's Favorite Prescription for all female "weaknesses" or irregularities, nervousness, neuralgia, and uterine troubles. Ask your druggist.

Dr. Pierce's Pellets, or Anti-bilious Granules, have no equals. 25 cents a box; one a dose. Cure headache, constipation and indigestion.

NEWS FROM RENO.

The Exercises of the State University—City of Homes.

(Special Correspondent Austin Beville.)

Reno, Sept. 5.

Ed. Beville: As I am now settled, after having a delightful trip from home, I will give you a few items about this place.

Reno is situated along the line of the C. P. R. R. and is a very pretty town, or city, more correctly speaking. It is a "city of homes" as almost every house is occupied by private families. There are a great many fine buildings here, among which are the Court House, Bishop Whitaker's School and the State University. There are several hotels here, the most prominent of which are the Depot, Palace, Riverside and Golden Eagle. The Fall term of the State University began this morning. At a little after 2 p. m. a very large audience congregated in the large assembly room of the University to witness the opening exercises.

After nearly everybody had been seated, President Brown called the assemblage to order and stated that the choir would open the exercises by singing a song. After this the President addressed the audience and reviewed the departments of the University and stated who were to preside over them. The following speakers were then introduced: Gov. Stevenson, Miss H. K. Chapp, Prof. Miller and Jackson, Secretary of State Dorman, State Supt. Davey and M. S. Geo. Cutting; right here allow me to state that Mrs. Cutting on behalf of the Women's Relief Corps of Reno, presented the University with an American flag in a very neat and patriotic speech. The flag was made by the ladies of the Relief Corps and makes it more appreciative. President Brown, on behalf of the University accepted the gift and briefly reviewed its history; when the flag was unfurled the applause and cheers were deafening. The choir then sang The Star Spangled Banner, after this the following persons addressed the assemblage, Miss Tapper, B. F. Luete and Wm. B. Daugherty.

After the speaking Pres. Brown then announced that the exercises would close by singing a song, the choir sang "America," and the audience joined them and all united in singing that song which is the name of our country. The University is a large, three-story brick building on a hill back of town. A nice ditch of water runs in front of it called the Orr Ditch and the grounds surrounding it are being improved so that next year it will look very pretty. I have not been through the University enough to know the several departments and where they are situated so I will leave that matter until my next letter. A splendid view of the town can be obtained from the University.

I believe I will close until I get more news. With best wishes for Austin.

Your Friend,

"MAUCUS"

CATTLE SALE.—W. B. Todhunter has sold 5,000 head more or less, of beef cattle to Miller & Lux of California. The first lot of these cattle has been driven to Winnemucca to be weighed and shipped to California.

Of the three great commanders of the Civil War, Grant, Sherman and Sheridan, the career of Sheridan was by far the most romantic. We all know with what interest the whole country read the personal memoirs of Grant and the personal memoirs of Sherman, and we believe that the personal memoirs of "Little Phil" will attract equal attention and command as large a sale. His memoirs have the value of an important historical production and the interest of a great work of fiction. The book is not statistical, but full of personal incidents and the wonderful story which it tells holds the reader spell-bound. It is a clear, concise, graphic and yet simple account of a wonderful life. It was penned not only because he desired to tell the story of his life in his own way, but with the hope that his family might receive a competency from its sale. Counting as this book does from one of America's greatest and best-loved soldiers, we are sure that it will find a place in every home in the country. The J. Dewing Company, 813 Market street, San Francisco, have charge of the sale this side of the Rocky mountains. Applications for agencies addressed to them will receive prompt attention.

Syrup of Figs

Is Nature's own true laxative. It is the most easily taken, and the most effective remedy known to cleanse the system when Bilious or Costive; to dispel Headaches, Cold and Fevers; to Cure Habitual Constipation, Indigestion, Piles, etc. Manufactured only by the California Fig Syrup Company, San Francisco, Cal. Sold by Wm. Pinniger, Reno.

An Explanation.

What is this "nervous trouble" with which so many seem now to be afflicted? If you will remember a few years ago the word malaria was comparatively unknown,—to-day it is as common as any word in the English language, yet this word covers only the meaning of another word used by our forefathers in times past. So it is with nervous diseases, as they and malaria are intended to cover what our grandfathers called biliousness, and all are caused by troubles that arise from a diseased condition of the liver which, in performing its functions, finding it cannot dispose of the bile through the ordinary channel is compelled to pass it off through the system, causing nervous troubles, Malaria, Bilious Fever, etc. You who are suffering can well appreciate a cure. We recommend Green's August Flower. Its cures are marvelous.

Advice to Mothers.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. (Feb. 21—new f-1v)

Ladies

In delicate health, and all who suffer from habitual constipation, will find the pleasant California liquid fruit remedy, Syrup of Figs, more easily taken and more beneficial in effect than any other remedy. It acts promptly yet gently on the Bowels, Kidneys, Liver and Stomach, and does not sicken or debilitate. Sold by Wm. Pinniger, Reno.

I suffered with catarrh for many years and got so deaf that I went about my Museums, Circus and Theatre giving directions and doing business with a big ear-trumpet at the side of my head. It was very annoying to me and amusing to those who saw me. By the advice of physicians I sought the climate of the Sunny South. In six months I could see no change and was discouraged. At this time I began using Chalmers' English Catarrh Cure. In three months I felt a new man, in six months my hearing returned. I refused to give a testimonial at once for the English Catarrh Cure, as I feared it was not permanent. But a year and more has now passed, and I can now heartily indorse Chalmers' English Catarrh Cure for the cure of catarrh and deafness.

PLATFORM AND RESOLUTIONS.
The Republicans of the State of Nevada in convention assembled again express their loyalty to the principles of the Republican party, which have made the country so great and prosperous during the last quarter of a century.

Resolved, That the question of a sufficient supply of a circulating medium to maintain a permanent range of the price of labor and property is the most important political question awaiting solution by the American people.

Resolved, That a diminishing quantity of money reduces the price of labor and property increases the obligation of contract, enriches the creditor, impoverishes the debtor, and paralyzes industry and enterprise.

Resolved, That the present financial system of the United States, which increases or diminishes the circulating medium at the pleasure of the manipulators of the National Bank, without regard to the increase of population or the wants of the people, and which recognizes gold alone as the standard of value, and places in the hands of the Treasury Department all the revenue of the Government to speculate with in bonds and loan to National Banks without interest, is subversive of the rights of the people oppressive, unjust, and should be repudiated.

Resolved, That a financial policy whereby both gold and silver shall form the basis of circulation, whether the money used by the people be coin, or in certificates redeemable in coin, or both, as convenience may require, is imperatively demanded.

Resolved, That the attempt to substitute National bank notes, costing the Government millions of dollars annually, for free silver, costing nothing, is an outrage upon the people; that the money ring or trust, which has usurped the sovereign power of the Government to issue money, and which has fraudulently demoralized silver and seized the revenues of the Government for private speculation, shocks the moral sense of the people and destroys respect for Government and law. We demand that this ring or trust be destroyed and equal rights restored to all people.

Resolved, That we charge that President Cleveland is the willing tool or agent of a powerful money ring which fattens the subsidies of the Government, makes war on silver, issues the paper currency at the expense of the Government, borrows the revenue raised by taxation, and uses them without the payment of interest, contracts the currency to enhance the value of bonds, and enriches the users while it depresses the price of labor and property.

Resolved, That we favor the nomination of no man for President who is personally interested in National bank notes, and who would endeavor to suppress the people of the United States, but we demand a candidate who is free to do justice to all the people of the country—the poor as well as the rich.

Resolved, That the policy of the Government should be inaugurated and established by the people through their representatives in both Houses of Congress, and not by the President or the money trust, of which he, either as agent or head, is most worthy in depicting.

Resolved, That we are in favor of the protection of home industry, and that the laborers of this country have a right to all the work required to supply the people of the United States, and that we are in favor of high wages in this country, and to that end will protect the wage-workers competition with the cheap labor of other lands.

Resolved, That the policy of the Government should be inaugurated and established by the people through their representatives in both Houses of Congress, and not by the President or the money trust, of which he, either as agent or head, is most worthy in depicting.

We are in favor of the absolute exclusion of Chinese, and the restriction of immigration, by which the present overcharged condition of the labor market is made worse, and also favor legislation by which revision of our naturalization and land laws may be accomplished.

We demand, in behalf of our various industries the retention of the duties on lead, borax, soda, hides and leather, and to restore the tariff of 1891 on wool.

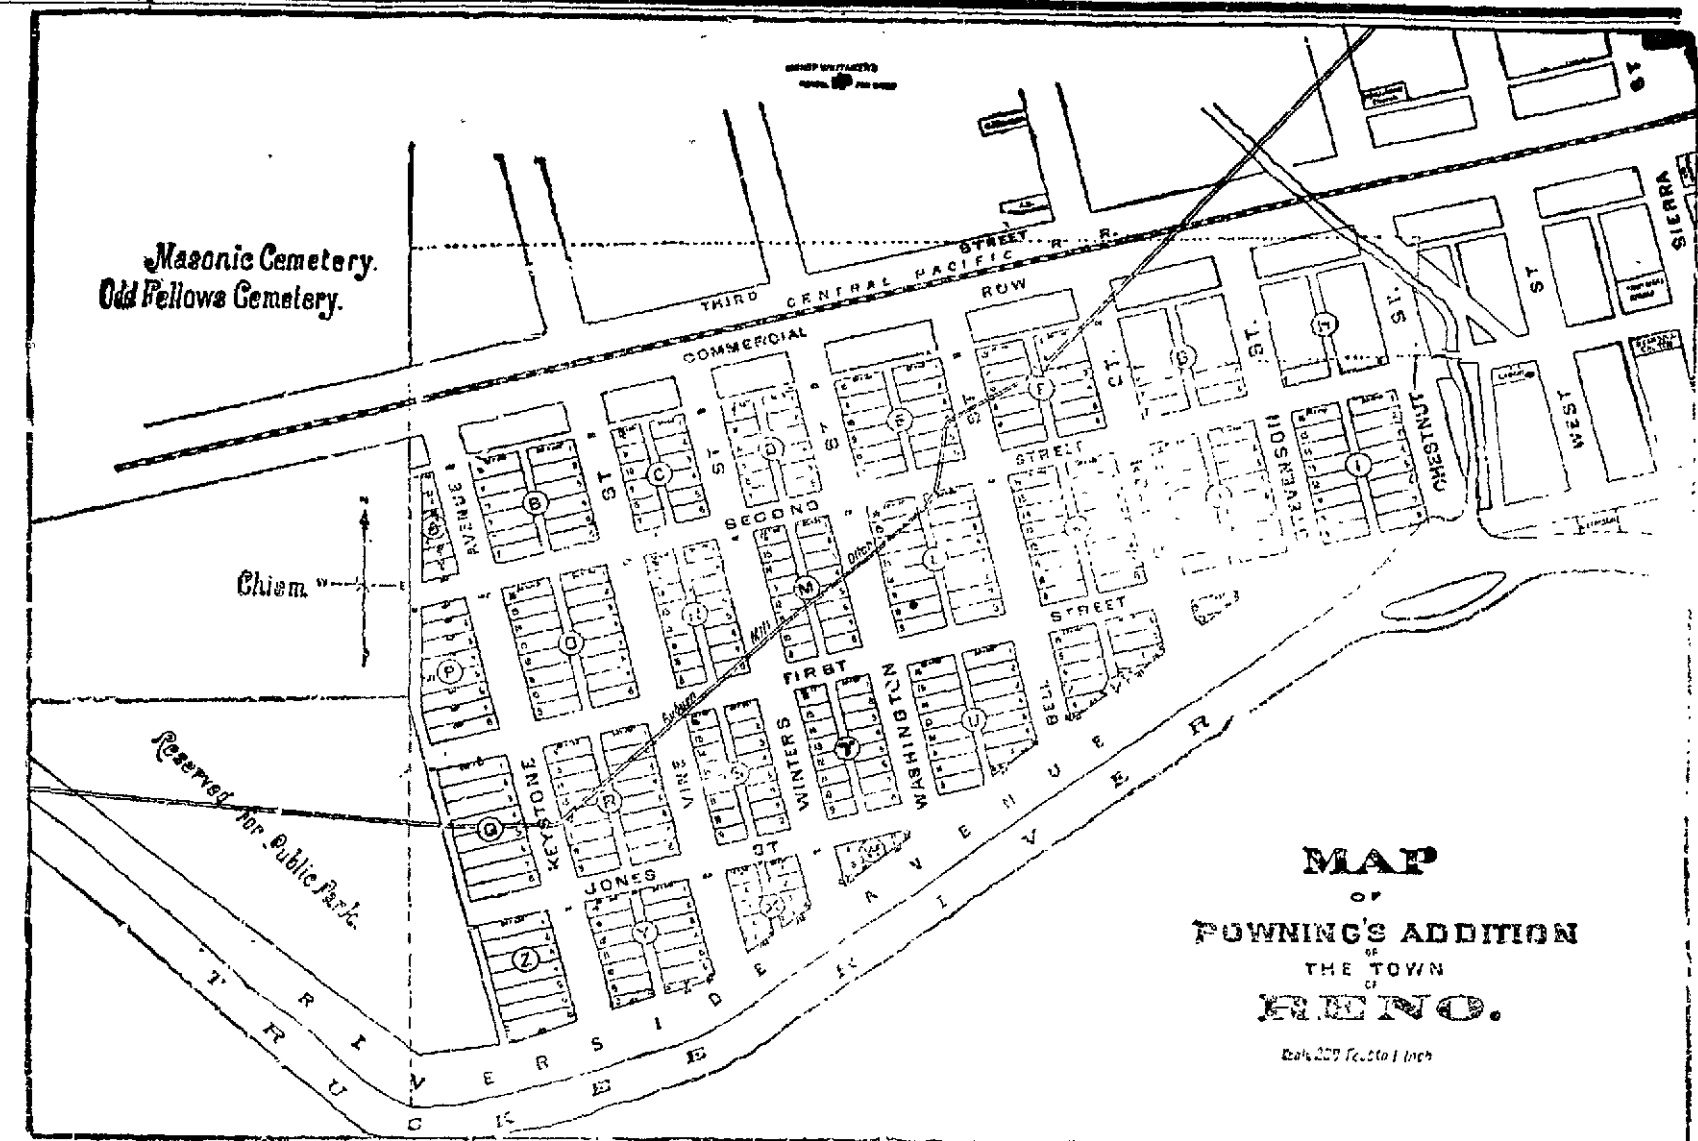

Resolved, That we recognize the right of labor to organize for its lawful protection.

Resolved, That we favor the submission by the Legislature to the people of an amendment to the Constitution giving the Legislature the power to regulate the liquor trade.

We favor liberal appropriations by Congress for hydrographical and topographical surveys in this State to the end that the waste waters may be preserved for the purpose of irrigation.

We endorse the wise and conservative administration of Governor C. O. Stevenson, and we heartily commend the able efforts of Senators Stewart and Jones, and Representative Woodburn in the defense of the interests of the people of this State.

We favor the granting to Nevada of all Government land within the State for the purpose of providing means for irrigation and other improvements.
